No Yes

What is the name of the medication(s) that need to be given and how often is the medication(s) given? _____

Has your pet had their medication(s) today? No Yes. If so, When: _____

Any additional information you would like for us to know during your pets stay? _____

What items did you bring with your pet (be descriptive)? _____

Bathing Upon Day of Departure:

_____ I would like my pet to have a bath prior to pick-up at a discounted rate of \$20.00.

Please note that if you are picking up before noon the bath may not be done yet, or your pet may still be damp, also if you're picking up on Saturday the bath will be done on Friday.

_____ I would not like my pet to have a bath prior to pick-up. **I accept the condition of my pet's coat when I pick-up.**

Emergency Treatment while boarding:

_____ Yes, I understand that during boarding, it may be necessary to treat my pet(s) for problems that may develop or become evident to the staff such as diarrhea, vomiting, coughing, urinary tract infection, etc. Every effort will be made to contact you using the phone numbers from the front sheet to discuss the problems and authorize treatments to address the pet's problem. These diagnostics and treatments will be added to the bill and you will be responsible for the payment. Our goal is to provide your pet with a comfortable, safe and healthy stay.

Important Information:

- All pets boarding must be current on rabies, distemper, and bordetella (for Canines only). Written proof of vaccines must be provided prior to boarding. **If proof cannot be provided, required vaccinations will be given at your expense.**
- If any parasites such as fleas, ticks, or intestinal parasites found on the pet during the stay, they will be treated by Edinburgh Animal Hospital and the cost will be added to the final bill.
- If the pet is found to be aggressive and dangerous to the staff or animals, additional charges may be added to the bill.
- Pet's that require medication to be given during stay will have additional charges added for that service.
- All reasonable precautions will be used to prevent injury and escape while your pet is boarding. Edinburgh Animal Hospital will not be held responsible for the actions of the pet that may cause injury and/or escape.
- All pets not picked up 7 days after the expected departure date will be considered abandoned. Edinburgh Animal Hospital reserves the right to authorize the proper release of the pet(s) as they deem fit, including euthanasia if necessary.

I, _____, owner/agent of the above pet, have read the admission form and authorize Edinburgh Animal Hospital to board my pet. If I am unable to be reached, I give Edinburgh Animal Hospital permission to treat my pet for any problem that develops during their stay. I accept full financial responsibilities for any charges that may accrue for the treatment of my pet during their stay.
